## ACTIVITY 2 – OWNER OCCUPIED REHABILITATION AND/OR REPAIR

<b>Description</b>	Funds must be used to provide basic rehabilitation and/or repair to single-family homes owned by income eligible individuals or families located within the incorporated boundaries of the City of Waterloo. Income levels for households served under this Activity must be at or below 80% of Area Median Income, based on household size.
<b>Services to be Provided</b>	Utilize existing applications and/or accept new applications from homeowners who live within the Waterloo City limits. Ensure that the applicants are eligible for the program by verifying that the applicant is buying or owns a single-family home in Waterloo and by completing an income verification process to ensure that the homeowner has a gross annual income at or below 80% of Area Median Income. Individuals or families buying a home on contract will not be considered as eligible for this service. Verify the need for the repair exists, develop a contract for the repair and oversee that the repair has been completed. A repair is defined as including, but not limited to, door & window replacement, furnace & water heater replacement, repair or replacement of roofs, electrical and plumbing upgrades and repairs to the foundation. Funds may not be utilized to assist homes that are located in the 100-year floodplain or that are not connected to the City's water and/or sewer system.
<b>Available Funds - \$57,650</b>	All funds shall be utilized to pay a licensed and insured contractor(s) to complete specific home repairs that have been identified by eligible homeowners and verified by the organization awarded the funds. The minimum amount of WHTF dollars that can be spent per home is \$1,000 and the maximum amount of WHTF dollars that can be spent per home shall be \$10,000. However, the WHTF dollars can be utilized with an Agency's other funding sources to cover the cost of a larger project. Payment to the Contractor shall be issued after completion.
